

# Young Researcher's Network Session Plan

## What will we do?

**Session 1:** Getting to know each other and deciding on a small project.

**Session 2:** Just what is and isn't research and how do I plan it?

**Session 3:** What do I want to find out and why? Defining your research purpose and questions and understanding some of the assumptions and big ideas behind them.

**Session 4:** Who can answer my questions? Participants, sampling, recruitment, engagement, and ethics

**Session 5:** How will I go about answering my questions? Writing your research method

**Session 6:** How shall I collect my data? Selecting and designing data collection tools

**Session 7:** What do I do with all the data? Planning and conducting data analysis

**Session 8:** How do I get my message out there

**Session 9:** Celebration and Review. Reviewing what you have achieved and learned and celebrating success.
